Fronheiser Pools Recognized as the Best Pool & Spa Dealer for Berks County, PA

Bally, PA – (2-Feb-11) **Fronheiser Pools** – a leader in [swimming pool construction and spa installation in Southeastern Pennsylvania](#) since 1965 – was recently recognized as the **Best Pool & Spa Dealer for Berks County** by **Berks County Living**, a premier lifestyle magazine for the Berks County region of Pennsylvania.

According to the Berks County People's Choice documentation, the People's Choice - Who's Who in Business survey is a statistically-accurate survey of consumer preference in Berks County, now in its 14th year. The survey is designed to identify and recognize business leaders in Berks County in their respective business categories. Fronheiser Pools was selected as Berks County's business leader in the Pool & Spa category.

"Fronheiser Pools is very humbled to be recognized by the residents of Berks County as a leader in the community," said Seth Rhoads, Marketing Manager for Fronheiser Pools. "We credit our hard-working employees who go above and beyond typical customer service. We also credit our commitment to offer only the finest quality products with the best value for any pool or spa owner."

From its Berks County locations in Bally and Sinking Spring, Fronheiser Pools offers affordable spas from Jacuzzi Hot Tubs® and Viking Spas®, custom designed patio furniture products, BioGuard® pool chemicals, and all supplies needed for any pool or hot tub. This in addition to the company's newly-expanded line of in-ground pools which includes vinyl liner, gunite, and fiberglass styles. Fronheiser Pools employs dozens of professionally trained pool and spa experts in their retail, construction and service divisions to better serve the community.

The objective, unbiased and statistically-sound survey of Berks County residents was conducted by Polk-Lepson Research Group, an independent market research firm.
